## VOLUNTEER TESTIMONIAL

### Colum Goodchild

Director of Strategic Advisory for Aqua Consultants

### Testimonial

I have been volunteering with IAM over the last 2 years and have had the opportunity to get involved in two great projects.

Firstly, helping to develop refreshed questions for the IAM Diploma qualification and more recently reviewing applications for the IAM awards.

Both activities have challenged my thinking about what good asset management theory and practices looks like, and allowed me to explore asset management in different context.

I have also been able to meet and read about asset managers working in different industries, different parts of the world and at different phases in the asset management journey. There has been great support from the central team at IAM, who have been really flexible in helping me to fit in tasks and deadlines around my other commitments. In short, I have learnt things and had some fun!
