## VOLUNTEER TESTIMONIAL

Asset Strategy Manager at Transport for London

### Testimonial

Volunteering for the IAM has been a fantastic opportunity to learn and collaborate on problems with a global network of peers all with a common goal of wanting to further the asset management profession and make the world just that little bit better. Any imposter syndrome that I had at the commencement of my volunteer work was removed by a very welcoming team - everyone around our table had their bit to add. Would highly recommend getting involved!
