VOLUNTEER TESTIMONIAL

Kambiz Rasoulkhani

Senior Consultant at AMCL

Testimonial

Volunteering with the IAM has been an incredibly rewarding experience. Being part of the Resilience Working Group gave me the opportunity to collaborate with passionate professionals from across the globe, all working toward a common goal of shaping best practices in asset management. Contributing to the Good Practice Guide not only allowed me to give back to the profession I care deeply about, but also helped me grow—learning from others, gaining fresh perspectives, and staying at the forefront of emerging thinking in resilience. It's inspiring to be part of a community that values shared knowledge and continuous improvement, and I'm proud to play a small part in that.
